Order Consolidation

Buying group **orders must be consolidated** into a single (1) order before transmission by phone, fax or email to orders@horizondistributors.com.

Next Day Shipping

Orders placed by 4:30PM Pacific Time will be shipped the next business day. Please do not leave orders in any voice mailbox.

Payment Options (New Customers)

We accept Visa and MasterCard as payment at the time of ordering by phone. Customers picking up orders can pay by Visa, MasterCard or Interac (debit card). In-house credit financing is available upon request of a credit application.

Claims

Claims requests must be reported to our Claims department (claims@horizondistributors.com) within two (2) business days of receipt of goods. Please quote the invoice number when making your claim and obtain approval before arranging a return. Horizon will not accept products returned to our warehouse without prior approval. Goods cannot be returned for credit after 30 days from delivery date. If returned goods are not Horizon's responsibility, freight charges for the return are at the customer's expense and a 10% restocking fee will apply. Please note that Horizon will not accept returned products with store labels or price tags affixed.

Freight Claims

When receiving your order from a carrier, **please check for damages and count the pieces**. For the purpose of freight claims, you must note any discrepancy (eg. missing pieces, damaged goods, thawed frozen products) on the carrier's bill of lading and have the driver acknowledge it with a signature. Please notify our Claims department of any discrepancy by phone, fax or email to claims@horizondistributors.com within two business days of receipt of goods. **Ice cream and frozen novelties are shipped at consignee's risk beyond prepaid points**. Hidden damage must be reported by phone, fax or email to Horizon's Claims department and the freight company **within 24 hours** of receipt of goods (including weekends). **Horizon cannot make a freight claim on your behalf for freight-related problems that have been accepted as delivered without notation of shorts and damages on the bill of lading.**

Prices

Horizon will do our utmost to hold prices from catalogue to catalogue, but **all prices are subject to change without notice**. This is especially true during times of volatile currency exchange rates and changing tariffs. **We will fill orders regardless of price changes unless notified otherwise.**

Dry Ice

Dry ice is available free of charge to customers who pick up at our warehouse.

Out of Stock Items

Horizon is proud of our fill-rate but, nevertheless, out-of-stocks do happen. They are mostly due to supplier shorts when products are temporarily unavailable due to production delays. Please re-order out-of-stock items as Horizon does not process back orders. At your request, we can let you know which items are out-of-stock.

Split Cases

Horizon offers **split cases** of **selected products**. Please refer to the handy reference at the bottom of each catalogue page, which indicates that where noted, items are S (splittable), available in half cases or the fraction noted, or E (each), sold by the single unit. There is a charge of 5% of the case price of the S (split) items ordered to cover the cost of the labour and materials expended in repacking. **Please note that volume discount pricing does not apply to items ordered in split cases.** Items with an E (each) beside the description can be ordered individually without a repacking charge.

Out of Town Calls

We are happy to offer a toll-free line. Although it is free to our customers, we do pay regular charges, so we kindly ask for the cooperation of those using the 800 line in having orders or information ready when calling.
